All requests for inspection of public records shall be in writing and addressed to the administrator or any other person designated by the board to receive such requests. Copies of public records shall be provided upon the payment of the reasonable costs of reproduction and any fees for searching, reviewing and segregating such records. The board shall establish such costs and fees in accordance with applicable federal and state law.

1.04 Computation of Time

Whenever a period of time is stated in these rules as a number of days from or after an event: (a) the period shall be computed in calendar days; (b) the day of the event shall not be included in the calculation; and (c) the last day of the period shall be included in the calculation.

1.05 Officers of the Board

- (a) The board shall elect a chairperson, vice-chairperson, and secretary-treasurer.
- (b) Both the chairperson and vice-chairperson shall be elected from the same trustee group. The secretary-treasurer shall be elected from the other trustee group.
- (c) Officer terms shall be for one year beginning July 1, 2002, and shall rotate between the trustee groups annually. The terms of all elected officers shall terminate on June 30 of each succeeding year and such officers shall vacate their offices at that time.
- (d) Except as otherwise provided by law or by rules or policies adopted by the board, the duties of the officers shall be as provided in the 10th Edition of *Robert's Rules of Order, Newly Revised*.
- (e) The chairperson or vice-chairperson and secretary-treasurer shall coordinate assignments to the administrator and other Fund staff, requests for information, and other matters concerning the administration and operation of the board.

1.06 Committees of the Board

- (a) Standing committees shall be established by the board to address critical issues in the major functional areas of the Fund:
 - (1) The Administrative Committee will have combined administrative and finance committee functions;
 - (2) The Benefits Committee will have benefits, communication, and appeals committee functions.
- (b) The board may establish other committees to address matters related to the operation or administration of the Fund or to investigate issues that impact the Fund.
- (c) Committees shall operate informally and shall make recommendations to the full board. Meetings of all standing committees will comply with Part I of Chapter 92 of the Hawaii Revised Statutes.
- (d) A minimum of four trustees (two trustees from each trustee group) shall be assigned to a committee. The assigned number of trustees may be larger for certain committees provided that an equal number of trustees are assigned from each trustee group.
- (e) Attendance of at least one trustee from each trustee group shall be necessary to convene a committee meeting.
- (f) Committees may select a chairperson and any other officers as deemed necessary by the board.
- (g) Committee chairpersons shall coordinate assignments to the administrator and other Fund staff for their respective committees.
- (h) Trustees in attendance shall agree within their working committees on recommendations made to the full board. When there is no agreement by the trustees in attendance, the committee shall present a summary of the disagreement(s) to the full board.

1.07 Meetings of the Board

- (a) To the extent permitted by applicable federal or state law, the meetings of the board shall be open to the public. Without limiting the foregoing, board meetings shall comply with Part I of Chapter 92 of the Hawaii Revised Statutes, including the provisions therein requiring: (1) written and electronic notice of board meetings at least six calendar days prior to each meeting; and (2) written minutes.
- (b) The board shall designate the administrator or some other member of the Fund's staff to be responsible for preparing agendas for future board meetings. Any trustee may place a question or subject on the agenda of a future board meeting by notifying the administrator or other designated staff person by 12:00 noon, seven days prior to the board meeting. All board meeting agendas shall be transmitted to the chairperson for review prior to public notice.
- (c) Unless otherwise required by the board or applicable law, the parliamentary procedure to be used by the board in the conduct of its meetings shall be in accordance with the 10th Edition of *Roberts Rules of Order, Newly Revised*.
- (d) Voting procedures for board meetings and the criteria for a quorum are established in Section 87A-11 of the Hawaii Revised Statutes. In addition, the following voting procedures shall apply:
 - (1) After a motion is made and seconded, the presiding officer shall read the motion and open the question to discussion and debate by the trustees. When ready to put the motion to a vote, the presiding officer shall call for the public employer and employee-beneficiary trustee votes to determine whether there are three votes from each trustee group in favor of the motion. If so, the motion shall be recorded as having been approved by one vote from the public employer trustees and one vote from the employee-beneficiary trustees.
 - (2) For routine or procedural matters, the presiding officer may ask if there is any opposition to a motion after it has been made, and to the extent required, seconded and debated. If no opposition is voiced, the motion shall be recorded as having been unanimously

approved by one vote by the public employer trustees and one vote from the employee-beneficiary trustees.

- (3) If the voting is not unanimous by each side, the names of the trustees who voted in favor of the motion, voted against the motion, or abstained from voting shall be recorded in the minutes.
- (4) In the event of a deadlock in a vote of the board on the same question or resolution at two successive meetings of the board, the board shall vote on whether or not to engage in dispute resolution. If six trustees of the board vote to engage in dispute resolution, the two trustee groups shall enter into mediation to attempt to resolve the question or resolution upon which the board has deadlocked.

The mediation shall be handled by a mediator appointed by the Federal Mediation and Conciliation Service. If the Federal Mediation and Conciliation Service fails or refuses to appoint a mediator within ten days of the date on which the six trustees voted to engage in dispute resolution, the mediation shall be handled by a mediator mutually agreeable to the two trustee groups. If the two trustee groups do not agree on a mediator within twenty days of the date on which the six trustees voted to engage in dispute resolution, either trustee group may petition the Administrative Judge of the First Circuit, Circuit Courts of the State of Hawaii, to appoint a mediator. Upon the appointment of a mediator, the two trustee groups shall in good faith enter into mediation on the question or resolution upon which the board has deadlocked. Nothing in this rule is meant to preclude the board from voting to engage in other forms of alternate dispute resolution to resolve a question or resolution upon which it has deadlocked.

- (5) Whenever any statute or other law requires a vote of a majority, two-thirds or other percentage or fraction of the trustees or members to which the board is entitled, the motion or other action shall be approved if it receives two votes in favor of the motion or action as provided in subsection (d)(1), regardless of the total number of votes in favor of the motion or action.

For example, if a statute or other law requires a two-thirds vote of the members to which the board is entitled, the motion or other action will be approved if three trustees from each trustee group

vote in favor of the motion or other action, even if the remaining four trustees vote against the motion or other action.

1.08 Appearances Before the Board

- (a) All persons shall comply with this rule when appearing before the board. Unless otherwise required by applicable federal or state law, the board shall have the discretion to prescribe additional standards and procedures for all appearances and proceedings before the board. The board may waive or suspend the provisions of this rule with respect to any particular appearance or proceeding before it.
- (b) Any person appearing before the board may appear in person, by an officer, partner or regular employee of the party, or be represented by an authorized representative. The board may at any time require any person transacting business with the board in a representative capacity to prove or authenticate the person's authority and qualification to act in such capacity.
- (c) The board shall afford all interested persons an opportunity to present oral testimony or submit data, views, or arguments, in writing, on any agenda item.
 - (1) Persons providing written testimony shall provide thirty copies of their testimony of which twenty copies shall be made available to the public. Twenty copies of materials provided to the board for or during a meeting that are determined to be disclosable shall be made available for distribution to the public.
 - (2) The board shall hear oral testimony on an agenda item after it has completed discussion of that item. At that time, the presiding officer shall invite members of the public to ask questions or provide comments on the agenda item prior to any action by the board. After the public has had an opportunity to provide input on the agenda item, the board may discuss the agenda item further and act on the item or move on to the next agenda item.
 - (3) A person may speak at a board meeting only when recognized to do so by the presiding officer. Comments are limited to three minutes per speaker. Time limitations may be adjusted at the discretion of the presiding officer or at the request of any three

trustees. A person may not speak a second time on the same question unless authorized by the presiding officer to do so.

- (4) The board may refuse to hear any testimony that is irrelevant, immaterial, or unduly repetitious and may from time to time impose additional conditions as are necessary or desirable for the orderly, efficient, and convenient presentation of oral testimony to the board. The board may request that the person providing oral testimony submit the testimony in writing to the board.
- (d) Nothing herein shall require the board to hear or receive any oral testimony or documentary evidence from a person on any matter which is the subject of another proceeding pending before the board.

1.09 Delegation of Authority

To the extent permitted by law, the board may delegate authority to act on its behalf in accordance with board policies and standards to a committee of the board, an administrator, a carrier, a third party administrator, or to such other persons and entities as it deems necessary or reasonable for the effective and efficient administration of the Fund and the provisions of Chapter 87A of the Hawaii Revised Statutes; provided, however, that nothing in this rule shall permit the board to delegate its power to adopt, amend or repeal any rules.

1.10 State Ethics Code

All trustees and employees of the Fund shall comply with Chapter 84 of the Hawaii Revised Statutes.

1.11 Controlling Law

To the extent that federal or state law governs any matter covered by these rules, the Fund and the board shall comply with and follow such federal or state law. To the extent that any matter is not completely governed by federal or state law, the Fund and the board shall apply these rules to the extent reasonable and practicable.

1.12 Authority of the Board to Waive Rule Provisions

Subject to statutory requirements and limitations, the Board may waive an employee-beneficiary's compliance with any provision of the Fund's rules when

the Board determines that: (a) good cause exists for such a waiver; (b) strict enforcement of such provision would impose a manifest injustice upon an employee-beneficiary who has substantially complied with the Fund's rules in good faith; and (c) such waiver does not involve any increase in the obligations or liabilities of the Fund beyond that which would have been involved if the employee-beneficiary had fully complied with the Fund's rules. Each waiver by the Board must be in writing and supported by documentation of the pertinent facts and grounds.

1.13 Responsibilities of Employee-Beneficiaries and Public Employers; Enforcement Actions of the Fund

- (a) Employee-beneficiaries are responsible for:
 - (1) Providing current and accurate personal information as per Rules 4.06 and 4.07;

- (c) The Fund shall have the right and authority to file actions in any court, including but not limited to the courts of the State of Hawaii and the United States of America, to enforce the foregoing obligations and to collect premium contributions. Nothing in this rule is intended to limit or restrict the rights or remedies otherwise available to the Fund.

- 2.01 Adoption, Amendment or Repeal of Rules
- 2.02 Policies, Standards, and Procedures
- 2.03 Declaratory Rulings
- 2.04 Administrative Appeals

2.01 Adoption, Amendment or Repeal of Rules

- (a) The board may adopt, amend or repeal any rule of the Fund upon a motion of any trustee or upon the petition of an interested person or organization.
- (b) In the case of an interested person or organization, the petition shall be in writing and shall be submitted in duplicate to the board. The petition need not be in any particular form but shall contain:
 - (1) The petitioner's name, address, and telephone number;
 - (2) A statement of the nature of the petitioner's interest;
 - (3) A statement of the reasons for the proposed rule, amendment or repeal;

The board may reject any petition that does not contain the foregoing information.

- (c) The board shall determine whether to deny or proceed with a petition within ninety days. If the petition is denied, the board shall notify the interested person or organization in writing of the denial.
- (d) If the board decides to proceed with any proposed rule change, whether by a trustee or interested person or organization, it shall consult with public employers and affected employee organizations with regard to the proposed rule change as follows. First, it shall transmit the proposed rule change to the public employers, exclusive employee organizations, exclusive representatives, retiree organizations, and all other employee organizations registered with the board for consultation prior to adoption. Second, it shall provide the employers, representatives and organizations a reasonable amount of time for review and comment on the proposed change prior to final action by the board.

- (e) After the consultation provided for in subsection (d), the proposed rule change shall be considered for adoption at an open meeting of the board that permits the attendance of interested persons.
- (f) All proposed rule changes shall be adopted by the board in accordance with the provisions of section 87A- 26 of the Hawaii Revised Statutes.
- (g) New rules, amendments or repeals of rules that are adopted by the board shall be submitted to the governor for approval and filed with the lieutenant governor's office.
- (h) Unless some other date is expressly selected by the board, a new rule, amendment of a rule, or repeal of a rule shall be effective the first day after the rule, amendment, or repeal is filed with the lieutenant governor's office.

2.02 Policies, Standards, and Procedures

Policies, standards and procedures to be adopted amended or repealed may, at the discretion of the board, be transmitted to public employers and affected employee organizations for consultation purposes. Nothing herein shall require the board to consult with public employers or affected employee organizations concerning the board's adoption, amendment or repeal of policies, standards and procedures or to transmit any such policies, standards or procedures to public employers or affected employee organizations for consultation purposes.

2.03 Declaratory Rulings

- (a) Any interested person may petition the board for a declaratory ruling as to the applicability of any statutory provision administered by the board or of any rule or order of the Fund.
- (b) Every petition shall be in writing and shall be submitted in duplicate to the board. The petition need not be in any particular form but shall contain the following:
 - (1) The petitioner's name, address, and telephone number;
 - (2) A designation of the specific statute, rule or order in question;
 - (3) A statement of the nature of the petitioner's interest, including the reasons for the submittal of the petition;

- (4) A complete statement of the relevant and material facts;
- (5) A statement of the position or contentions of the petitioner; and
- (6) A full discussion of the reasons, including any legal authorities, in support of the petitioner's position or contention.

The board may reject any petition that does not contain the foregoing information.

- (c) Petitions to intervene and become a party to a declaratory ruling proceeding may be submitted in writing to the board. Such petitions shall contain the same information as required under subsection (b) and the grounds and reasons on which intervention is sought. The Board may deny intervention where the petition to intervene raises issues not reasonably pertinent to the issues already presented or the petition raises issues that would broaden the issues to be decided. If intervention is granted, the petitioner shall become a party to the proceeding to the degree permitted by the order granting intervention.
- (d) The board may dismiss any petition for a declaratory ruling for good cause. Without limiting the generality of good cause, the board may dismiss a petition if:
 - (1) The question raised is purely speculative or hypothetical;
 - (2) The petitioner's interest is not of the type or nature that would give the petitioner standing to maintain an action if the petitioner were to seek judicial relief;
 - (3) The issuance of a declaratory ruling may adversely affect the interests of the employer, the board, any of the trustees, the Fund, or any of the Fund's officers or employees in litigation which is pending or reasonably expected to arise in the future; or
 - (4) The matter is not within the jurisdiction of the board.
- (e) Subject to applicable federal and state law, the board at its discretion shall:

recommendation of the administrator, committee or designated person or entity, the board shall render its decision on the petition.

Where any question of law is involved, the board may seek the assistance of the state attorney general in reviewing the matter. The board may also seek the assistance of other government agencies when necessary or desirable.

Any petitioner who desires a hearing shall submit a written request for a hearing together with the petition for a declaratory ruling. The written request shall set forth in detail the reasons why the matters alleged in the petition, together with supporting affidavits or other written evidence and briefs or memoranda of legal authorities, will not permit the fair and expeditious disposition of the petition and, to the extent that the request for a hearing is dependent upon factual assertions, shall submit affidavits or certificates establishing those facts.

- (f) The petition for a declaratory ruling shall either be rejected in accordance with subsection (d) or acted upon by issuance of an order within ninety days. Upon the disposition of the petition, the board shall promptly notify the petitioner.
- (g) Orders disposing of petitions for a declaratory ruling will have the same status as other agency orders. An order shall be applicable only to the fact situation alleged in the petition or as set forth in the order. An order shall not be applicable to different fact situations or where additional facts exist that were not considered in the order.

2.04 Administrative Appeals

- (a) A person aggrieved by one of the following decisions by the Fund may appeal to the board for relief from that decision:
 - (1) A determination that the person is not an employee-beneficiary, dependent-beneficiary or qualified beneficiary, or that the person is not eligible to enroll in or be covered by a benefit plan offered or sponsored by the Fund;
 - (2) A determination that the person cannot make a change in enrollment, a change in coverage, or a change in plans;

- (3) A cancellation or termination of the person's enrollment in or coverage by a benefit plan, including long term care, offered or sponsored by the Fund; or
 - (4) A refusal to reinstate the person's enrollment in or coverage by a benefit plan, including long term care, offered or sponsored by the Fund.
- (b) The first step in the appeal process is an appeal to the administrator. In order to appeal to the administrator for relief, an aggrieved person must file a written appeal in the Fund's office within thirty days of the date of the decision with respect to which relief is requested. The written appeal shall be filed in duplicate. Unless otherwise provided by applicable federal or state law, neither the administrator nor the board shall be required to hear any appeal that is filed after the thirty-day period has expired. The written appeal need not be in any particular form but should contain the following information:
 - (1) The aggrieved person's name, address, and telephone number;
 - (2) A description of the decision with respect to which relief is requested, including the date of the decision;
 - (3) A statement of the relevant and material facts; and
 - (4) A statement as to why the aggrieved person is appealing the decision, including the reasons that support the aggrieved person's position or contentions.
- (c) If the aggrieved person is dissatisfied with the administrator's action or if no action is taken by the administrator on the aggrieved person's written appeal within ninety days of its being filed in the Fund's office, the second step in the appeal process is for the aggrieved person to file a written appeal to the board. A written appeal to the board must be filed in duplicate in the Fund's office. The written appeal need not be in any particular form but shall contain the following information:
 - (1) The aggrieved person's name, address and telephone number;
 - (2) A statement of the nature of the aggrieved person's interest, e.g., employee-beneficiary or dependent-beneficiary;
 - (3) A description of the decision with respect to which relief is requested, including the date of the decision;

- (4) A complete statement of the relevant and material facts;
- (5) A statement of why the aggrieved person is appealing the decision, including a complete statement of the position or contentions of the aggrieved party; and
- (6) A full discussion of the reasons, including any legal authorities, in support of the aggrieved party's position or contentions.

Subject to applicable federal and state law, the board may reject any appeal that does not contain the foregoing information.

- (d) The board at any time may request the aggrieved person or any other party to the proceeding to submit a statement of additional facts or a memorandum, the purpose of which is to clarify the party's position or a specific factual or legal issue.
- (e) The board shall grant or deny the appeal within a reasonable amount of time. The board shall not be required to hold a hearing on any appeal unless otherwise required by applicable federal or state law. If required to hold a hearing, or if it decides to voluntarily hold a hearing on an appeal, subject to applicable federal or state law, the board may set such hearing before the board, a special, or standing committee of the board, a hearings officer, or any other person or entity authorized by the board to hear the matter in question. Nothing in these rules shall require the board to hear or decide any matter that can be lawfully delegated to another person or entity for a hearing and decision.
- (f) At any time, an aggrieved person may voluntarily waive his or her rights to the administrative appeal provided by the Rule by submitting such a waiver in writing to the Fund's office. The board may require the aggrieved person to make such a waiver by signing a form prescribed by it.

All changes made shall become effective on the date approved by the board for the open or special enrollment period.

4.10 Continuation of Coverage

Subject to applicable federal and state law, coverage under the benefit plans offered or sponsored by the Fund shall continue:

The employee shall be treated as if continuously enrolled in the Fund benefit plans in which the employee was enrolled at the time of termination and shall be required to pay the full cost of coverage to the extent that such is not paid by the employee's public employer. The employee shall not be allowed to change between plans unless the employee's current Fund benefit plan is unavailable at the employee's new employment location.

- (b) Regardless of whether or not the notice of contribution shortage is received by the employee-beneficiary, if the employee-beneficiary fails to make full payment by the last day of the second pay period immediately following the date that the required semi-monthly contribution payment was due, the employee-beneficiary's enrollment in the benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under such enrollment shall be canceled as set forth in Rule 4.12(c).

- (c) Cancellation Due to Failure to Pay Contributions. If an employee-beneficiary fails to make full payment of any contribution required under any benefit plan offered or sponsored by the Fund as provided by Rule 4.11, the employee-beneficiary's enrollment and all coverages for dependent-beneficiaries under that enrollment shall be canceled. The effective date of cancellation shall be the first day of the third pay period immediately following the date that the premium contribution was due.

If an employee-beneficiary materially fails to comply with any of the Fund's rules, the employee-beneficiary's enrollment in all of the benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment may be canceled after notice of such has been provided to the employee-beneficiary. The board may set standards and procedures for providing notice to employee-beneficiaries under this rule. The notice shall at a minimum specify how the employee-beneficiary has

failed to comply with the Fund's rules, and a date by which the employee-beneficiary must comply with the Fund's rules in order to avoid cancellation. All such notices shall be in writing and shall be sent to the Fund. The Fund shall be entitled to seek recovery of any benefits that were provided to any person after an event that terminated the person's enrollment or that otherwise made that person ineligible for continued enrollment in or coverage by the benefit plans offered or sponsored by the Fund. In seeking to recover benefits under this rule, the Fund shall have the rights of offset and set-off, including without limitation, the right to recover amounts from and out of any and all future benefits payable to the person whose enrollment was terminated or who otherwise ceased to be eligible for continued enrollment or coverage in the Fund's benefit plans.
